

Trip brief

Leave with one clear trip record: destination and access confirmation, essential services, a usable alternate, and an agreed check-in plan. Save the brief offline and give the agreed contact the version they need.

Record	Your information
Trip dates / travelers and pets / person maintaining this brief	
Next overnight name / full address / site number	
Operator name and independently saved contact / confirmation date	
Booking or permit location / arrival window / gate and late-arrival instructions	
Rig and site fit / service details / person who confirmed them / date	
Total price and inclusions / cancellation or change deadline	
Verified route constraints / suitable fuel or charging stops	

Trip brief — continued

Record	Your information
Next potable fill / authorized dump / access and service hours	
Days to groceries and laundry / next verified stops	
Authorized alternate address / access / operator contact	
Weather, closure or late-arrival decision trigger / action	
Check-in contact / agreed date, time and time zone	
If overdue: agreed waiting threshold and response steps	
Unfinished task / next action / responsible person	

Keep private identity and medical details separate. Recheck access and current conditions before departure.
